MOTIVATION	What motivates you to nominate for this position?
	Gaining access to National Parks. As a former park manager I am aware that there are many opportunities for horse riders to use national parks for the enjoyment of horse riding and nature.

SKILLS	What skills could you bring to this position?
	A knowledge of land tenure variables, and subsequent constraints on land use for publicly owned lands. Submission writing skills. A knowledge of the Plan of Management process for publicly owned lands.
	What is the best skill you have to offer ATHRA?
	I can empathize with the point of view of public land managers, land holders and horse riders. I look for practical win-win solutions to problems.

	A breadth of knowledge on how to present differing views, a willingness to find common ground, then move forward to a consensus that suits all parties.

COMMUNICATION	What are your communication strengths that you could bring to the position?
	Extensive written, oral and public communications skills gained from being a 30 years veteran of the public service, at the coal face, in the land management field. Being a grazier, landholder and horse rider concurrent with the public service role as ranger / park manager has given me an ability to see the problems from both sides of the fence.

	Treasurer of local ATHRA club. Former treasurer of a local polocrosse club for many years, former treasurer of the Tenterfield show society.

	An interest in developing safe riding practices. I believe the organization is on the right track by promoting the Challenge events. It promotes confidence, skills and safe handling of horses in a fun learning environment.
