proudly present the

RAIL TRAIL EXPRESS

17—25 September 2016

Get aboard now for a fantastic ride!

Registrations are now open for ATHRA's signature September Camp!

No day will be the same...

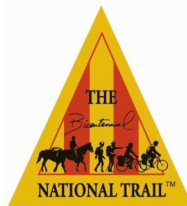

Commencing at Ottaba and finishing at Nanango, this will be a moving camp with a new location on most nights. You will move your floats each morning to the next night's camp location and then be bussed back to your horse to ride to the next night's location using a combination of rail trail, BNT and scenic private property trails.

Many of these places never before ridden on an ATHRA event. There will be a rest day mid week at Blackbutt.

Morning Tea, Lunches and Dinners each day will be fully catered.

Full Camp \$425.00 per person — 1/2 Camp \$295.00 per person

Register for the full event, pay in full before 19 August 2016, you will go into a draw to have your full entry cost refunded (drawn on Wednesday 21/9)

Entry forms and more details are available from
