

## Huntly Equine Market and Demonstration Day

*The Huntly Equine Market and Demonstration Day is an annual event that provides the public with the opportunity to learn more about the organizations, clubs and people in the central Victorian region associated with horses.*

*The committee of management in collaboration with the 3 resident clubs, use this event as a major fund raiser for the ongoing development of this important facility in your community, Huntly.*

*These grounds were initially provided by the late Mayor Cr Kevin Gibbins and have since been supported by the City of Greater Bendigo and our current Mayor Cr Lisa Ruffell.*

*Our aim is to provide community with an area for people to come along and enjoy their horses while learning more about horsemanship and horse care.*

*The 3 clubs are very family oriented and welcome enquiries. If you are interested in horses and horse sports, please feel free to contact us.*

*This year we are celebrating the building of our new clubrooms and amenities block. Thank you to the City of Greater Bendigo for your commitment to the development of these facilities.*
