John Davidge 0410 204 123

Sunday 25th turned out to be fine, sunny and a really lovely day. The direction via Western Boundary Road was very rough and a maze of roads. We followed our directions and found the tank laying on it's side with plenty of parking. 9 riders saddled up (after waiting a little while for the two that got lost) with Bronwyn as trail boss, following horse, motor-bike or was it deer tracks? We saw all three through the lovely bush with birds singing. Much talking, and was it by Triangle, Western Boundary, Old Mill or Bombo Road?

Our lunch stop was by dams full of water over looking the traffic going along the Princes Highway. We did a full circle through the bush and got back safely.

Thanks for a great ride Bronwyn

...A bit of history: John Hawdon owned the bush where we rode—1840. Hawdon at Bumba Creek Dowdallie (Bomba and Bodalla)

Captain Mclean at Bergaily (Bergalia) not far from our ride.
